## Fees

Our initial planning appraisal will allow us to provide a clear and accurate estimate of our fees and an indication of the other costs involved in applying for the planning permission. We will also advise you of the timescales involved and when the fees will become payable.

We also offer an alternative win only fee agreement, where we will be responsible for planning application fees, all planning costs, drawing costs and specialist reports. You will only pay a fixed fee if planning permission is obtained.

We will provide you with the information you require to decide which fee arrangement is best for you.
